NOVEMBER NEWS

RESTOCK FOR CHRISTMAS / NEW RELEASE / EVENTS

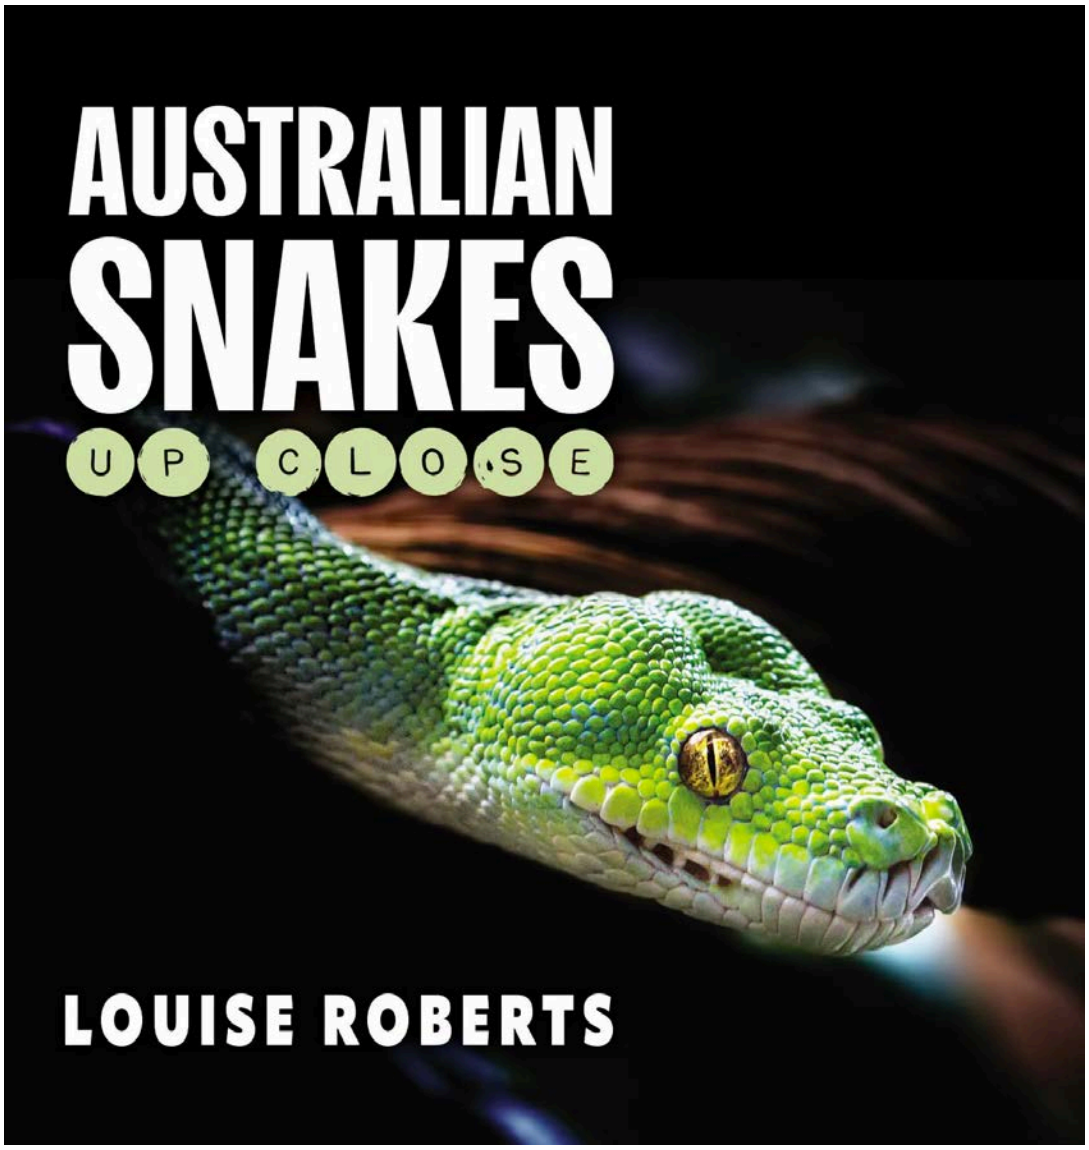

Hello from Wild Dog Books

Thanks for signing up to our mailing list and welcome to our monthly newsletter! We'll keep it brief. We want to update you on **new books** coming out, **reprints** of old favourites that are back in stock and Wild Dog **events** happening near you. If you have a specific query, we'd love to hear from you via one of the contact methods listed below.

Now is a great time to **restock for the Christmas holidays**! Whether you're a wildlife sanctuary interested in the *Up Close* series, an art gallery on Country looking for First Nations stories or a Teacher Librarian with a curriculum resource gap to fill for 2027, we've got a read for everyone. Get in touch!

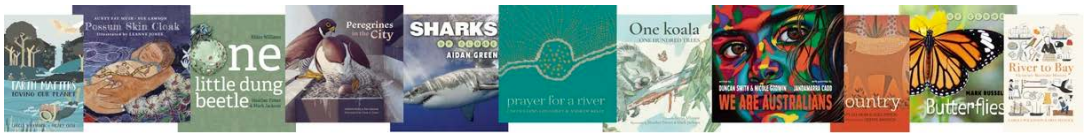

NEW RELEASE: Australian Snakes Up Close

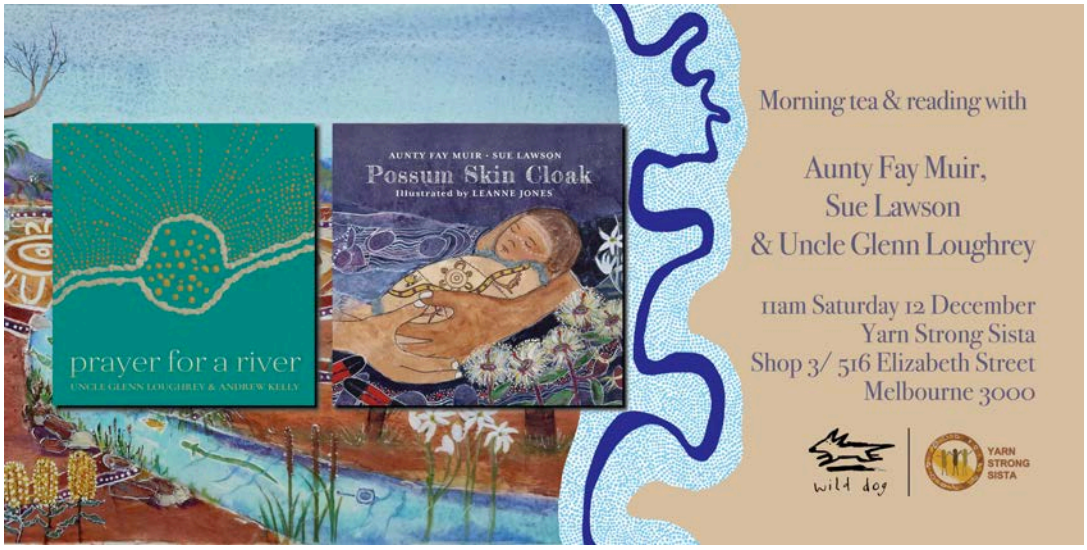

Did you know that snakes smell with their tongues, sleep with their eyes open and feel heat with pits in their faces? Read all about them in our November release, which features high resolution photography and fascinating facts that will immerse young readers in the unique world of Australian Snakes! *Australian Snakes* joins *Butterflies*, *Crocodiles*, *Sharks* and *Dingoes* in the wildly popular, curriculum focused *Up Close* series.

Available in all good bookstores now!
